

MATRICE *art*

MADE IN FRANCE

SILICONE MATRICES

Simply bring added value to your blocks, without modifying your installations.

≡ MODULAR

≡ ADAPTABLE

≡ **GUARANTEED
1000 USES**

Quick and easy to install

Our matrices are designed and manufactured to meet the specific needs of our customers.

Thanks to the matrix system, you can **quickly and easily create several dimensions** before pouring the concrete.
